HERE'S HOW IT WORKS:

- Midwest BankCentre lends you a minimum of \$300* to open a Certificate of Deposit. You make payments to the bank to pay off the loan.
- If you repay the loan on time, we will report your good credit to all of the credit bureaus, laying the foundation for a credit history you can use in the future.
- Plus, the principal and the interest you have earned will be yours to keep to start saving for the future.

*A processing fee of \$15 will be charged. This fee is refunded if the applicant is denied. Additional restrictions and fees may apply. Business accounts are not eligible. Please see a Personal Banker for details.
